Picture Directory

## A Message from Pastor Bill Coleman

*“So then you are no longer strangers and aliens, but you are citizens with the saints and also members of the **household of God**, built upon the foundation of the apostles and prophets, with Christ Jesus himself as the cornerstone. In him the whole structure is joined together and grows into a holy temple in the Lord; in whom you also are built together spiritually into **a dwelling place for God.**” Ephesians 2: 19-22*

I want to thank you for your faithfulness to this ministry and your willingness to be part of Luther Memorial Church. Of course it is more than just a willingness on your part, but a calling by God as inspired and led by the Holy Spirit. Of all the churches we could gather within, God has called us into this place to work for the good of the Gospel. It is not always easy to be a part of a community, as we may not agree with everything or everybody, but when we come together as surround by the Word and fed at the table with bread and wine, we know we are not alone. Although we may be different in many ways, we are unified in our love of God and our neighbor.

This Picture Directory is an attempt to deepen the relationships within this community. I realize we don't all know one another, but I hope these pictures and names will allow us to work at getting to know one another a little better. It has been my experience that we are hesitant to ask someone their name if we see someone over and over again, so this Picture Directory will certainly help with the names of people you see. I would encourage you to “work” at remembering the included names and faces, and when you encounter them on Sunday, say hello.... (insert name here).

Many of you may be familiar with directories that are done by companies such as Olan Mills, but it seems to be much more difficult to get pictures taken and scheduled. Through the efforts of the Hospitality Committee we decided to try an internal Picture Directory. I think it has been a huge success and I am grateful that you took the time to get your picture taken! I want to thank the Hospitality Committee for their time and energy, and a special thanks to Norma Buerk for pulling the directory together. An advantage to producing this directory ourselves is that as new members are received we will produce new pictures that can be added to your Picture Directory.

Finally, please don't forget about our church website found at [www.luthermemorialonline.org](http://www.luthermemorialonline.org) as it is a good source for information about this ministry. This Picture Directory will be included on the website under the “Contact Us” menu item along with our Address and Phone Directory. Both of these files will be password protected so they will only be used by people within this community. To get the password call Norma Buerk in the church office.

I thank you for all you do, and the many ways you give.
