

In Person Worship and In Person Ministry Activities

Luther Memorial Church council, during its Tuesday, February 9, 2021 meeting, decided to re-open our building for **worship and ministry activities** (following all health and safety protocols as done previously) on Ash Wednesday, February 17, 2021. Sunday services will be held in person at 8:15am and 10:30am in the main church beginning Sunday, February 21. The 10:30am service will continue to be offered on Facebook live and will also be available to watch on Luther Memorial Church's YouTube channel and church website at www.luthermemorialonline.org at 12:00 noon or any time after.

Ash Wednesday and Lenten Wednesdays

Luther Memorial Church will reopen our building for in-person worship and limited ministry activities with all the safety measures in place, as practiced before closing down our building the second time, on Ash Wednesday, February 17, 2021. Luther Memorial Church will also provide worship and Bible studies online in the same ways and places we have been offering, but for Lent, different times. Also note that these Lenten worship services and bible studies (once posted) are available to be watched at any point during the day convenient for your schedule, which means we will not hold an evening Lenten program. We will not be having a Lenten meal this year. It will be missed, but we will look forward to resuming that next year. Finally, for those not ready to come into the building there will be two separate times to receive your ashes from Pastor Coleman. You will stay in your car to receive your ashes. Enter the church parking lot on 10th Street and Pastor Coleman will be standing at the first door on the east side of the church.
