On Pentecost Sunday we heard about the gifts of the Spirit, and then, during the children's sermon we went on to hear about the fruit of the Spirit. The nine *gifts* of the Spirit are listed in 1st Corinthians 12:4-10.

Some of those gifts are: Utterance of Wisdom and Knowledge, Faith and Gifts of Healing. And while I resonate with the gifts of the Spirit, I most identify with the **fruit** of the Spirit which is listed in Galatians 5:22-23. Those nine fruits are: Love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control.

We all desire a clear path in life, with little bumps on the road, but through the gift of the Spirit of wisdom, we know that life is filled with both ups and downs. But although we cannot predict how our days will unfold, we turn over that control by trusting that we are being led with purpose and on the path of love. As I think about what it has meant to me to be pastor at Luther Memorial Academy and Church, it has been being around the nine fruits of the Spirit. I can think of each of you and identify you with the *gifts* of the Spirit, but I have most appreciated how your deep faith in our living Lord Jesus grows out some very tasty *fruit*. The fruits of the Spirit abound in this ministry!

A letter was mailed out to the congregation on May 18 indicating that my last Sunday as your pastor will be on August 1. In that letter I shared with you the reason for my leaving. It was not an easy decision to make, but as doors opened for Amy and me over a year of discernment, we took a step of faith through each of those doors. In the August newsletter, I will be sharing with you how much you have meant to me and give thanks to each of you for helping me be your pastor. I am looking forward to serving among you these next two months. This ministry will go on and will continue to thrive because the gifts and the fruit of the Spirit dwell deeply in you for the good of this blessed community of faith.

In love and gratitude,
Pastor Bill Coleman

Live Streaming 10:30am Worship Service

Sunday services are held in person at 8:15am and 10:30am in the main church. **Our 10:30am worship service is live streamed on our church YouTube Channel using our new camera equipment.** The service will continue to be on Facebook Live through the month of June . As you will be able to see, the new camera equipment allows for more movement of our worship leaders, along with a much enhanced sound quality.

To watch the worship service on YouTube live, go to YouTube, and in the search bar, type in "Luther Memorial Church, Erie Pa". Subscribe to the channel. We understand this will be an adjustment for some, but if you have any problems or questions, please reach out to Pastor Coleman or Norma Buerk.

A recording of the worship service is posted to our church webpage by 12:00 noon. To watch the service on Luther Memorial Church's website go to the "Resources & Online Worship" tab and then click on the "Sunday Morning Worship, Daily Prayer and Bible Study" tab.

Opportunities for Continued Connection to Luther Memorial Church

Throughout the summer Pastor Coleman will provide online prayer services and Bible studies at various times on Facebook and YouTube. Please continue to connect with us through your Facebook page and the church's YouTube channel for these times together.

Holy Communion Practice for those Worshipping from Home on Sunday Morning

At Luther Memorial Church we are grateful to provide the option of worshipping from home or worshipping in the building, and to allow each person to make the best decision for themselves, but there is a real loss for those unable to come to worship in the church building on Sunday morning, as they are unable to receive bread and wine from the Lord's table. Understanding that the bread and wine is a sustaining gift from Jesus that is blessed and received in community, we now have available bread and wine in individual packets that, after being blessed on Sunday morning during our worship, will be available for those worshipping from home to pick up at the church during the week. The intention is that you take home enough bread and wine for each member of your family for the month. During our worship service, those worshipping from home would set before them the consecrated bread and wine, and then receive the bread and wine when those who are in person for worship do. To make arrangements to pick up the bread and wine from the church please contact Linda Graffius by email at lgraffius@luthermemorialonline.org, Norma Buerk by email at nbuerk@luthermemorialonline.org, or by calling the church office at 814-454-0106, ext. 221.

*Our love and sympathy is extended

Pentecost Sunday

Luther Memorial Church's 10th grade students were confirmed at the 10:30am service on Pentecost; Sunday, May 23, 2021. These youth participated in confirmation classes for three years and had the opportunity to attend confirmation camp at Lutherlyn in the summer. We are honored to recognize these youth as they make their Affirmation of Baptism.

Meet Our Confirmation Students

**Anthony
Cimino**

Anthony's favorite Bible verse: Proverbs 31:8-9

"Speak up for those who cannot speak for themselves,
for the rights of all who are destitute.
Speak up and judge fairly;
defend the rights of the poor and needy."

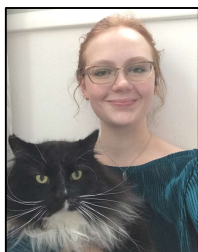

This simple verse is especially important to me and to the way that I conduct my life because the sentiment behind it is a deeply driving force for my passions, values, and visions about the world. The value of standing up for those who cannot stand up for themselves has always remained deeply embedded in me not only in how I treat others but how I am driven to change the world.

SCHOOL: Fairview High School

FAVORITE CLASSES: Social studies, mathematics, music classes

HOBBIES: Speech and Debate, Band (Jazz, Concert, Marching), leadership in school activist organization

WHAT HAVE YOU LEARNED ABOUT GOD: Above all else that I have learned over 3 years of Confirmation, I've learned the true extent of God's forgiveness and love through how they are shown throughout the Bible and the people around us. The lessons, discussions, and connections that I experienced with my peers at Lutherlyn and during Confirmation events and classes provided me with countless rich experiences that have shaped my understanding of God's love in a way that's difficult to express in words.

Julie Ditz

Julie's favorite Bible verse: John 15:30

"No one has greater love than this, to lay down one's life for one's friends."

If everyone in the world was able to love one another that much, or understand a love like that, the world would be a much better place.

SCHOOL: Fairview High School

FAVORITE CLASSES: I really enjoy my science classes, and sometimes the social studies classes

HOBBIES: Running and Cooking

WHAT HAVE YOU LEARNED ABOUT GOD: I have learned that not everything that happens is God, but everything connects back to God. I have also learned about the way that the 10 commandments cannot be translated literally anymore, because things have changed. One of the biggest things that stuck out to me was how an idol doesn't necessarily have to be another god, it could be as simple as a phone. I also learned that God never leaves you, and if you so choose you will always be able to find him in your life.

Meet Our Confirmation Students, cont'd.:

Krista Partusch

Krista's favorite Bible verse: Micah 6:8

"He has told you, O mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?"

SCHOOL: McDowell High School

FAVORITE CLASSES: I enjoy English, Drama, and Music

HOBBIES: Reading, Cooking, and Acting

WHAT HAVE YOU LEARNED ABOUT GOD: "I have learned that God's grace is a gift and it's for me and for everyone. I know that I have been forgiven. Finally, I am to live my life by following the two greatest commandments: To love God with all my heart, mind and soul, and to love my neighbor as myself."

Caiden Snider

Caiden's favorite Bible verse: Isaiah 55:9-10

"For as the sky soars high above earth, so the way I work surpasses the way you work, and the way I think is beyond the way you think. Just as the rain and snow descend from the skies and don't go back until they've watered the earth, doing their work of making things grow and blossom, producing seed for farmers and food for the hungry."

This is my favorite verse because it was my grandpa's favorite verse. I also like it because I interpret it as God is always working and thinking more than us, which shows he is always finding ways to help others and think of others. For example, he allows farmers to have water, and this lets them feed the hungry and others.

SCHOOL: Northwest Pennsylvania Collegiate Academy

FAVORITE CLASS: My favorite class is math because I like numbers and I enjoy plugging numbers into equations.

HOBBIES: Some hobbies of mine I enjoy include playing sports (basketball, football, baseball, etc.), playing video games, reading books, watching movies and TV shows (The Office, Star Wars, Marvel, and The Simpsons), and spending time with my brothers and family.

WHAT HAVE YOU LEARNED ABOUT GOD: At confirmation I learned about how God's words have different meanings. For example, in the Ten Commandments I learned how commandment number 6, "you shall not murder", does not just mean the obvious not kill somebody, but that you shall not murder could also be hurting someone's feelings by saying something harsh to them. This shows God's word is not one sided, but its meanings are multi-dimensional. I also learned that no matter what God's doing he will always be there for you and always forgive your sins as long as you ask for forgiveness.

Magic Fingers Grace Group

**Tuesday, June 8 & Tuesday, June 22
Tuesday, July 13 & Tuesday, July 27**

Good friends, conversation and laughter make for a fun morning. Throw in some knitting and crocheting and it's perfect. Bring your yarn projects and join us in the parlor at 10:00am on the second and fourth Tuesdays of the month. It would be wonderful to see you again!

If you'd like to learn how to knit or crochet, we'd love to show you. Masks are worn for our gatherings and all safety protocols are followed.

Please contact Jan MacInnes, 454-0106, ext. 233 or the church office, ext. 221 with any questions. Please let us know if you are low on yarn and some can be dropped off to you.

To become a supporter of the Luther Memorial Concert Series please complete the attached form and send it to the church or place it in the Sunday offering plate. Your sponsorship is fully tax deductible as allowed by law.

Complete this form, enclose cash or check and return to the church at 225 West Tenth Street, Erie PA 16501. Thank you.

The schedule of concerts to be presented at **7:00 PM on the 2nd Sundays of each month** follows:

The concerts are free and open to the public. Free-will donations will be accepted at the door. Luther Memorial's current COVID-19 protocols will be in effect. Please consult future newsletters and bulletin announcements for more information about each concert and any updates to this schedule.

Summer Worship Music

Throughout our summer worship services, there are opportunities for vocal and instrumental solos. If you would like to contribute any of the following, please contact Cantor Walt Gaber at 814.602.2755 or WaltGaber@gmail.com:

- Lead the singing of a psalm
- Sing a vocal solo
- Play an instrumental solo

Thank You's

Luther Memorial Meal Team:

I have greatly appreciated the delicious and very special meals I have been given.

It has been a big help for me for I have a hard time standing to prepare meals. It was a blessing to get delicious food I just had to heat, eat and enjoy.

You are a special group of people to step in and help with our members that are in need in such a thoughtful and caring way.

Thank you for your kindness.

God Bless, Dorothy Overberg

Blood Pressures

Has it been a while since you've had your blood pressure checked? Well, wait no longer. Blood pressures will now be offered the third Sunday of each month following the 10:30am service beginning on Sunday, June 20. We welcome you to stop in the library on June 20 and July 18 for your check-up. We ask that you be fully vaccinated to have your blood pressure checked.

Blue Zones Project

Tuesday, June 8 at 10:00am

Mercyhurst University
Mary D'Angelo Performing Arts Center
501 E 38th Street
Erie, PA 16546

Blue Zones, Erie County, and Governor Tom Ridge formally invite you to participate in a stakeholder meeting to learn about how Blue Zones Project communities elevate themselves through the science of well-being, reveal the health and economic outcomes from the active Corry Project, and receive the new plan for all of Erie County.

All in-person attendees will be required to follow CDC and PA COVID-19 mitigation guidelines. The event will also be live-streamed. The agenda will include opening remarks by Kathy Dahlkemper and Tom Ridge, the Blue Zones Project Presentation, including an update on the health and economic outcomes from the active Corry Project and a new plan for all of Erie County. A review of federal and state funding sources to support Blue Zones will also be discussed and conclude with questions and answers at 11:50am.

Coming Out of Our Cocoon

While on vacation in Florida, which by the way was so great and therapeutic, I was going to meet my brother and wife when I realized I had forgotten my mask! Fortunately we found a CVS, but then I realized I had to go in without a mask. It felt so strange and I actually felt a little guilty, even though I have been vaccinated since February. We have been living in this socially-distant, masked up norm for so long that the fully vaccinated lower half of my face wanted to retreat back to the safety of its cozy cloth home.

This pandemic has been strange for all of us and the only thing stranger is the 1st step we will take away from it. So how do we cope, facing this new one foot in, one foot out reality? Wherever you are in this process, realize that you are not alone and your feelings are valid.

With the increasing availability of effective vaccines, permission to break out of our cocoons is what everyone wants. Many older adults are creeping more slowly toward normalcy. Clinging to the routine that helped keep us safe for so long will be hard to let go of. Many people developed anxiety and other mental health issues during this period of quarantine.

After being fully vaccinated, consider these suggestions to safely re-enter society:

1. Honestly assess your comfort level with in-person socializing. Identify things that will allow you to feel safe while navigating beyond your house.
2. Break out with brief, in-person social moments. Start by reaching out to your family and close friends who also have been vaccinated.
3. Stay up to date. Check our church website to make yourself aware of our current protocols. Learn the current schedule for in-person worship and small group activities.
4. Seek help if needed. Post-pandemic responses include anxiety, anger, depression and withdrawal. Seek professional help and know that you're not the only one who may be having problems.
5. Be patient with yourself and others. We have suffered social deprivation for more than a year. Initial contacts might be awkward; stretching our social muscle will take time.
6. Remember to stay healthy by eating all of the wonderful fruits and vegetables of summer and getting some exercise on our beautiful summer days!

Many of us just want to hug our grandchildren and other family members. Go ahead and hug, but Public Health advisors recommend wearing a mask and skip the kisses. There's a slight chance that you could transmit the virus to your grandchild because they haven't been vaccinated. It's unlikely that your grandchild would have a serious illness from it, but on rare occasions they do.

I also read recently from a National Nurses email that many nurses feel that this opening up is happening too soon. We must use common sense, especially since the variants are so unpredictable. Remember; the vaccine simply helps give your body the tools it needs to fight COVID-19. Even after vaccination, it still may be possible to catch the coronavirus, or one of the new variants, and spread it. So, while your own social circle may be inoculated, for a few more months you will need to keep in mind the well-being of children, the partially vaccinated and those who are hesitant to get the vaccine. The good news is that the more people who receive the vaccine the more we will be able to get back to a fair amount of our pre-pandemic life this summer.

To quote Mary Manz Simon from the ALOA Board of Directors, "God has led us through the Valley of COVID. He has been faithful. He is still present and in control. He is preparing an eternal home for us, but our time has not yet come. Until then safely step into the new normal."

I feel we at LMC have been blessed that the virus did not affect us as badly as many other churches here and in other cities. Prayers have been answered! God is good!

Blessings,
Linda Graffius, RN
Faith Community Nurse

School Dismissal: 11:00am
 And it's off to Waldameer for our School Picnic.

If financial aid is needed for the 2021-2022 school year, it is imperative that the application form be sent to the school office as soon as possible. Please contact Mr. Paul or Mrs. Fried with any questions.

Lego League

FIRST Lego League (FLL) is open to all 4th-8th graders and is a project-based, hands-on program to introduce students to engineering and coding/programming in an inclusive, creative, and hopeful environment where students work collaboratively to solve a yearly robotics challenge and inspire innovation. FLL focuses on Core Values – Discovery, Innovation, Impact, Inclusion, Teamwork, & Fun.

FIRST Lego League's 2020-21 seasons' theme was entitled, "Game Changers," and each team was challenged to "RePLAY" and use their critical thinking and imagination to explore what future spaces for play will look like. Guided by adult mentors and working as a team, students participated in an Innovation Project to solve a real-world problem, build and program a LEGO® robot, and compete in an exciting, mission-based Robot Game.

LMA Lego League won the Innovative Solution award for figuring out a way to make staying active accessible to all with their research project – an autistic-friendly playground at Cascade Park in Erie! They placed 4th overall in the robot runs. 2020-21 team members are Marshall Boyd, Ian Gladney, Michael Gladney, Sam Gross, Lydia Nelson, & Wyatt Noyes. Go Lions!
