*From Pastor  
Coleman*

I love the season of Autumn, although I increasingly do not welcome the longer parts of winter, yet, the season of Autumn fits well with our Christian theology that things in this world change and die. It's rather sad to know this to be true, and so the community of Luther Memorial Church and Academy stands together facing change and death, as we do something which does not come natural to us these days... remain faithful to the Lord and to this community. We remain faithful so that we may give, but also receive, for who knows when our independent lives come crashing down around us. As one of the many leaders within this ministry I feel called to call us back into community so that we may move forward together, and to know for what we work for here is the Gospel for all to hear and to receive with grateful hearts.

In a moment of encouragement and challenge, I will reaffirm the need to continue to faithfully make our offerings to the Lord in community so that we may do all the things the Lord wants us to do for our neighbors. You will note in this newsletter a stewardship update for 2019, and also the call to make a financial commitment for 2020. Those commitments will be received in worship on Christ the King Sunday, November 24. These commitment forms may also be mailed to the church and will be received through the season of Advent. I thank you in advance for your prayerful giving and continued commitment to this ministry. I would also ask you to consider attending Super Wednesday on November 6. The details are within, but it's special because of our simple meal, faith conversations and prayer for all ages.

Finally, I am encouraged in my faith through our Word and Sacrament ministry and through my face to face interactions with you. I am hopeful for our futures together, and I rejoice at the many wonderful ways you continue to give here and beyond. As you read through this newsletter, read it slowly and really notice the ways in which you make the world a better place.

## All Saints' Sunday – November 3

All Saints' Sunday is a day of prayer for and remembrance of loved ones who have died in Christ during the past year. We give thanks on this day for all the good people that God has placed in our lives, especially those who are already with God in heaven. We give thanks for the presence of the Holy Spirit in our lives and in the lives of all people. All Saints' Sunday is a day for remembering and giving thanks, as Christians remember the good people they have known and give thanks for the unending goodness of God. Services on Sunday, November 3 will include special prayers for those who have passed away during the past year. If you are unable to attend services with us, please remember these special people in your prayers:

## Member Outreach Ministry (MOM)

As chair of the St Matthew's Endowment Committee of Luther Memorial Church, I would like to explain a new category that we have added to our distribution of funds. We are calling it MOM (Member Outreach Ministry).

We are asking members of the LMC community to seek out those in need who might not know help is available or may be reluctant to ask for or accept help. Members can request funds in any amount up to \$500.00 to satisfy an immediate need. The Endowment Committee will be given sole commitment authority by a unanimous vote and direct the Church Council Treasurer to distribute the required funds.

If you would like to submit a request you can contact me, Jean McMillin, Pastor Coleman or any of the committee members – Casey Hedlund, Don Tatar, Gina Sims and John Vali. There will also be Financial Support Request Forms available that can be completed and forwarded to the church office.

We want to empower the LMC family to identify and offer help to someone who may be struggling or dealing with situations where a little outside help can make a difference.

## Autumn Coffee Hour

Please join us in the parlor on **Sunday, November 5** following our 8:15 and 10:30 worship services to enjoy fellowship and a special Autumn Coffee Hour provided by our Congregational Life Committee.

## Soup & Salad Luncheon

**Sunday, November 17**  
**11:30am**  
**Fellowship Hall**

Stop down to fellowship hall for delicious homemade soup along with salad and spend some time with friends.

**All youth** are asked to attend and lend a helping hand with set-up and clean-up.

Stay healthy - blood pressure screenings will also be offered by our parish nurses.

## Ministry Commitment Sunday

Luther Memorial will celebrate **Commitment Sunday on November 24** at both worship services. During the service you will be asked to offer your financial commitments. God gladly receives our offerings of time, talent and treasure. Please fill out a commitment of your expected giving, either by the form included in your offering envelopes or the form below and bring it with you on Sunday, November 24. Taking the time to make a commitment really helps Luther

Memorial's budgeting process, and more importantly allows us to recommit your lives to our God who gives us all things. **It is critical for you to know, though, that the amount you commit is not as significant as your commitment to giving.** What you give should be with thanksgiving and with joy. Only you and God know the details of your stewardship.

### MY COMMITMENT TO GOD THROUGH THE MINISTRY OF LUTHER MEMORIAL CHURCH - YEAR 2020

I/we commit my/our entire life in service to Jesus Christ, and therefore will offer a portion my/our annual income. I promise, with God helping me, to give to Luther Memorial's ministry during the coming year, as follows:

\$ _____	for Current Ministry	Remarks
\$ _____	for _____	_____
\$ _____	for _____	_____
\$ _____	<b>Total</b> ( ) Weekly ( ) Monthly	

Name \_\_\_\_\_

Address \_\_\_\_\_

**Please return this commitment to Luther Memorial on Sunday, November 24.**  
**Consider making a copy of this pledge and place in your bible.**

## Stewardship Update for 2019

To be good stewards of our financial resources and to maintain our multi-faceted forms of ministry, Luther Memorial continues to give thanks for your giving and also create ways for your joyful giving to continue. We express words of gratitude to God for our many blessings. Ministries today walk the fine line of being thankful, and always providing words of encouragement to continue to grow in our giving, and so these financial updates are important. Each of us makes a difference and contributes to the health of this ministry. Thank you again for your current and future giving.

Total Budgeted Giving for the Year of 2019	\$345,883
Actual Giving through 9/30/2019	<u>\$205,385</u>
Remaining Giving Needed for Oct., Nov., Dec. 2019	\$140,498

*Please note that last year at this time, the remaining giving needed for the months of October, November and December 2018 was \$99,214, so we are prayerful that we may continue to be blessed by your giving over the remaining months of 2019.*

## New Member Classes

Luther Memorial has scheduled these classes for the purpose of creating opportunities to invite those people God places into your lives into the fellowship of this ministry. Authentic evangelism happens when each disciple invites and welcomes others to hear about God's love and forgiveness. It is as simple as that. This is a ministry growth strategy! You are an evangelist! You are on the evangelism committee!

## Music Ministry

### Bach Cantata Vespers

On **November 10 at 4:00 pm**, the LM Concert Series will present our next **Bach Cantata Vespers**. We will perform J. S. Bach's Cantata #99 - *Was Gott tut, das ist wohlgetan* ("What God does, that is done well" - LBW 410 - "What E'er God Does is Right") written for the 15<sup>th</sup> Sunday after Trinity in 1724. Three of Mozart's "Church Sonatas" for string orchestra and organ will be performed for the prelude. The gospel reading includes the "Our Father" which we will sing using a translation of Luther's versified catechism on that text.

The nine verses of the hymn will be interspersed with instrumental music on the chorale tune chosen by Luther. Please join us for this evening of worship and fine music as we celebrate our Lutheran heritage with two chorales that should be sung more often. Invite your friends and family and stay for the reception and fellowship afterwards that have become a fixture of these events.

### Sing With Us

The **Luther Memorial choir** will begin **rehearsing Advent and Christmas music** on **Thursday, November 14**. As usual, we will sing for all the Sundays of Advent, the annual St. Lucia Festival and the Christmas Eve services. This would be an ideal time to try out singing in our choir - a six week commitment, seasonal music and an opportunity to enrich your Advent preparation and Christmas celebrations. In addition to the joy of singing at this time of year, there are at least two extra bonuses - you will view the Christmas Eve candle lighting from the balcony and you will be invited to attend our annual Christmas choir party!

### Luther Memorial ReCharge – Sunday, November 3

We invite you to gather with us for a wonderful dinner, fellowship and activities at 4:00pm in the parlor. The main dish and beverages will be provided; you are welcome to bring a dish to share. Contemporary worship service will be held at 5:00pm in the "upper room"; 5<sup>th</sup> floor. Bring your family and friends to enjoy this very special time together.

### Kids for Kids

*Kind hearts are the gardens.  
Kind thoughts are the roots.  
Kind words are the blossoms.  
Kind deeds are the fruits.*

Kindness is shown in so many ways at Luther Memorial Church and Academy. During the holiday season it is our hope to make Christmas brighter for those among us in need.

Our Kids for Kids collection is underway, and all donations will be used to purchase gifts for families of Luther Memorial and LMA in need this

Christmas. If you would like to make a monetary donation, please drop this off in the church office or place in the offering plate marked "Kids for Kids". Our Luther Memorial Youth will be working with coordinators, Beth Keller, Sarah Prylinski and Pastor Coleman to bring some extra Christmas joy to families.

## St Matthew's Foundation Giving

Through the vision of St. Matthew's Church it was decided to set up a Foundation to provide monies for those in need within the congregation, those locally and throughout the world. When St. Matthew's merged with Luther Memorial last September a significant amount of their assets were restricted to be used for the Foundation. That restricted amount was approximately \$438,346. A committee of five members has developed the framework for that giving, and it is expected that 4% of the restricted fund will be distributed on an annual basis. The distribution categories and percentages are as follows: Local Outreach 20%; ELCA, Synod, Church-wide Ministries 20%; Discretionary Support to Programs or Capital Needs 20%; Member Outreach Ministry (MOM) 40%. Listed below are the distributions as recommended by the St. Matthew's Foundation Committee and approved by the Church Council.

Inter-Church Ministries of Erie County	\$1,154
Holy Trinity Pasta Kitchen	\$1,154
AMMPARO	\$2,307
(Accompanying Migrant Minors with Protection, Advocacy)	
Crime Victims Center	\$1,154
Upper Room	\$1,154
Luther Memorial Church Family	\$ 500
Total	\$7,423

## Stewardship and Leaving a Legacy

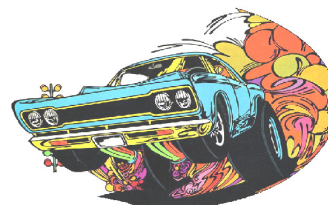

- The Stewardship Committee would like to offer the use of **electronic giving** to Luther Memorial's ministry if you are unable to attend worship on Sunday morning. For those who pay bills through their bank electronically, you can set up Luther Memorial Church as one of your payees and the money will be sent by your bank directly to Luther Memorial Church. Feel free to contact our Parish Manager Miriam Scheid with any questions or visit the church website to begin giving electronically.
- Also, if you are considering leaving a legacy to Luther Memorial Church or Luther Memorial Academy you can do this through two ways: First, by contacting Ryan Ebner who is a Regional Gift Planner for the ELCA Foundation at 814-823-3285 / [ryan.ebner@elca.org](mailto:ryan.ebner@elca.org); or second, through the Erie Community Foundation.

## Did You Know . . .

- that vases from St. Matthew's Lutheran Church were just recently refurbished to be used on Sunday morning in addition to the current vases that we use from the former Bethany Lutheran Church. A special thanks to Les Fobes for getting the vases refurbished and his continued attention to integrating those special items into our ministry.
- that Luther Memorial Church received \$3,698.62 from the estate of Marian H. Lundgren. Marian was a faithful member at St. Matthew's Lutheran Church. We give thanks for Marian's faithful life and we ask God for direction on how to use Marian's giving in a faithful way.

## P. A. D.

---

P.A.D is Peripheral Artery Disease. It is a disease in which plaque builds up in arteries that carry blood to your head, organs and limbs. Plaque, a waxy substance, is made up of fat, cholesterol, calcium, fibrous tissue and other substances in the blood. When plaque builds up in the arteries, the condition is called atherosclerosis. Over time the plaque can harden and narrow the arteries limiting flow of oxygen rich blood to your extremities and organs.

Symptoms affecting your extremities may include: intermittent claudication which include pain and numbness, aching or heaviness in the leg muscles and leg pain when walking or climbing steps; weak or absent pulses in the legs or feet; pale or bluish color skin; cool or cold temperature of your skin; poor nail growth or decreased hair growth on the legs; sores or wounds on the toes, feet or legs that heal slowly or not at all.

This disease may start if certain factors damage the inner lining of the arteries. These risk factors are: smoking, high blood pressure, high blood cholesterol, stroke, heart disease, aging and diabetes. When damage occurs, the body starts a healing process. We all think the healing process is good, but in this case it may cause plaque to build up where the arteries are damaged. Sometimes a section of plaque can break open causing a blood clot to form at the site. All of this severely narrows or blocks the artery.

How is this condition diagnosed? It starts with a good history and physical by your health care provider. Tell them if you have any of the symptoms and risk factors mentioned. You must tell them if you smoke! Talk to them about your diet and family history of heart or blood disease.

During the exam the doctor will check the blood flow in your legs for weak or absent pulses. A stethoscope may be used to determine if an artery is open. They may take your blood pressure in each leg as the pressure in the affected limb will be lower. If the doctor determines you may have P.A.D., you will be referred to a vascular specialist. There are other tests that determine the severity of the disease and most of them are non-invasive.

The treatments for P.A.D include heart-healthy lifestyle changes, medications and procedures or surgery. The important life-style changes are: quitting smoking, heart healthy eating and physical activity.

The goals of treating P.A.D. early include reducing the risk of heart attack and stroke, reducing symptoms of claudication, improving mobility and overall quality of life and preventing complications. Without treatment this disease may progress, resulting in serious tissue damage causing sores or gangrene (tissue death) due to inadequate blood flow. If this condition is serious, bypass grafting, angioplasty and stent placement or atherectomy (removal of the plaque) may be necessary.

You can live with P.A.D. and try to keep it from progressing. Talk with your health care provider if you are experiencing any of the symptoms mentioned. A supervised exercise program may help reduce symptoms. It is important to check our feet and toes regularly for sores or infection and maintain good foot and skin hygiene. Our skin is our largest organ and our first line of defense against infection. I have seen signs in doctor offices to remove your socks and shoes if you have diabetes. I think it should also be done if you have P.A.D., heart disease or stroke history.

Heart healthy life style changes can help prevent not only P.A.D., but also heart disease, heart attack and stroke. We are not going to live forever but let's try to be healthy while God keeps us here on earth. And with November being the month of Thanksgiving, let us give thanks to God for all the blessings he gives us.

Blessings,

## Thank You's

---

Dear Members of Luther Memorial Church:

Thank you for your donation of cushions for our pews. Your kindness is greatly appreciated. God bless you all!!

In Christian love,

Harmony Grove Lutheran Church

*The pew cushions from the former St. Matthew's Lutheran Church were given to Harmony Grove Lutheran Church in Indiana County after they experienced a fire in the church.*

Dear Flower Committee Members:

I was so surprised to receive a phone call, then the delivery of a beautiful bouquet of flowers from LMC. I am truly touched by this kindness offered me. The flowers have lasted quite a while and are setting on my dining room table.

Thank you and Bless you.

Sandra Brindle

*Altar flowers remaining in the church after worship are taken to those who could have their day brightened.*

*We are grateful to Diana Alvaro and Betty Pletz for delivering altar flowers for so many years. Thank you Diana and Betty!*

*If you would like to help deliver altar flowers as well, we could always use the extra help.*

Dear Friends:

Thank you so much for our generous gift of \$500 given to Shriners Hospitals for Children for its Erie location, in memory of David J. Schick. This gift will help touch the lives of countless children with orthopedic conditions and other special health care needs.

Sincerely, David R. Schumacher, Development Officer

*This money was given from the proceeds from the Kenneth Snider Car Cruise*

Dear Luther Memorial Church:

Thank you for making a difference at Lutherlyn! It is friends like you who make it possible for Lutherlyn to keep our vitally important promise to never turn a child away from summer camp for financial reasons. Thank you for your recent gift of \$100!

Yours in Ministry, Deb Roberts - Executive Director

## Pop Tab Challenge

The Pop Tab Program raises valuable funds and awareness for the Ronald McDonald House. Money from pop tabs is raised through recycling. This program helps pay for families and children to stay at the House while their child is receiving medical treatment at the hospital. Your support helps ensure that these families will continue to have a place to rest, relax and recover together.

Each time you open a soft drink, soup can, etc., save that pop tab and drop them in our collection box at Luther Memorial. Join us as we support the Thrivent Member Network's Pop Tab Collection Challenge. The goal is 1 million between now and December 1, 2019.

## September Council Minutes

---

1. *Minutes* of the September 10, 2019 meeting were reviewed and on motion unanimously accepted.
2. *Treasurer's Report* - Treasurer Greg Kern reviewed the report indicating that church finances are over budget, with higher expenses mostly in the property area. After a brief discussion, the report was unanimously approved.
3. *Thank you* - Shriner's Hospital sent a note thanking us for the contribution of \$500 from the Kenneth Snider Memorial.
4. *St. Matthew's Organ Proposal* - Walt Gaber reported on condition of this organ. After extensive discussion of value, a motion was made that we offer the organ for \$10,000, as-is, with buyer to move. The motion passed. Walt will present this to Holy Cross Episcopal in North East, who had expressed an interest.
5. *St. Matthew's Remaining Items* - Pastor Coleman shared that the pews will stay in place because the buyer of the building wants them in place to preserve the space for use as a church. The pew cushions were donated to another congregation.
6. *Morlin Inc. Giving to Luther Memorial Church* - Pastor shared the Jean McMillin and David Morphy donated \$5,000 to Luther Memorial. Some of it will be used to purchase a replacement for the file server. The balance will be used to offset the cost of the new generator.
7. *Security System Update* - The recent outage was fixed in one day. The existing unit is no longer made, and repair parts are not available. The Wilkins Company has an inventory of parts and has agreed to maintain it in the future. They also quoted approximately \$8,000 to replace it and recommended a detailed test of the system for \$1,800. On motion it was unanimous that an expenditure of \$1,800 be made on a system test.
8. *Estate of Marian Lundgren* - A bequest of \$3,698.62 will be placed in the memorial fund, with 10% tithe to be determined.
9. *Erie Lutheran Parish Grief Group* - Pastor Coleman and Pastor Hirsch (Lamb of God) will begin discussion meetings with bereaved members of the Erie Lutheran Parish congregations.
10. *Youth* - A listing of our youth is now available.
11. *Council Meeting Time* - The possibility of moving the council meeting time to 6:00pm will be discussed at a later date.
12. *Visioning for Luther Memorial Church* - Pastor needs responses from council members about who will provide leadership on detailed items on vision list.
13. *Staff Relations Committee* - The committee members are Les & Lois Fobes, Lois Smith, Bob & Diane Banks, Mark Lechner and Becky Carullo. Les reported meeting with staff to bring them up to date. Teams from committee will meet with staff at least twice a year. First round of meetings with staff members will be to complete a job description form.
14. *Emergency Practices Task Force* - Les reported that an emergency practices meeting was held in late summer. Floor plans are needed for emergency evacuation for building. (School already has these.) CPR classes and AED classes will be held. New emergency lighting is installed; lights are on continuously but Miriam will look into whether some can be on only when the main power fails.
15. *Nominating Committee* - Greg Kern reported that Barb Chaffee is at the end of her second term. Les Fobes, John Bartlett and Mike Snider are at the end of their first term. Greg will pursue those three and hope to return us to a count of 15.
16. Next council meetings are November 12 and December 10.

## Kids for Kids

*Kind hearts are the gardens.  
Kind thoughts are the roots.  
Kind words are the blossoms.  
Kind deeds are the fruits.*

Every day at LMA we see kindness being shown by our students. And the kindness is done eagerly and happily. Every act of kindness is appreciated. There are those among us in our school and at Luther Memorial Church that are in need, and we hope to make their Christmas brighter.

Small cloth bags will be sent home with each student on **Monday, November 4**, and we hope they return filled with coins and bills knowing that someone's Christmas will be brighter because of the kindness you have shown. All monies will be used to provide Christmas for those in need in our school and church family. It is requested that the bags be returned to the school office by **Monday, November 25**. The Youth Group will use this money to do the necessary shopping for families on Friday, December 6.

---

## Christmas Fair Preparations

We ask ourselves this every year . . . where did the time go? But here we are planning for the annual Christmas Fair. This event gives our students the opportunity to purchase gifts for family and friends. All grades will be in the Christmas spirit as they shop during our Christmas Fair on Thursday, December 5 and Friday, December 6.

There's added excitement as students in each grade have a chance to win a prize basket as well.

Volunteers are needed to help students with shopping at the Fair and donations of gift bags would be greatly appreciated. Please contact Tracy Heutsche at 392-4608 or Brooke McCall at 873-8009 with any questions. Thank you.

## Festival of Trees

Luther Memorial Academy is kicking off the Christmas season with their first Annual Festival of Trees. Students and staff are looking forward to decking the halls in style this year. But, your help is needed. Donations of 8-9 trees are needed; each being 5 to 6 feet tall. If you are able to donate a tree for their celebration, you are welcome to drop it off in the church or school office. Please feel free to call the church office with any questions. Thank you!

---

## Student Council

Have you heard? LMA now has an active Student Council. Students from Grades 3-8 are eligible to join and run for office. Faculty advisors include Mrs. Evans, Mrs. Hokaj and Mrs. Keller. One of our goals is toward bridging the gap between the elementary and middle school students. Two representatives are elected from each grade. Officers include Lauren Burling, president (8<sup>th</sup> grade), Ellie Wertz, vice-president (5<sup>th</sup> grade) and Brayden Fedak, secretary (6<sup>th</sup> grade).

Last month we raised money for the Regional Cancer Center. In December we would like to organize a Christmas Festival of the Trees. We may need your assistance in locating six additional trees later. As our first ever Student Council at LMA, we hope to share more exciting news with you in the future.

## Wish List for Luther Memorial Academy

---

Luther Memorial Academy always has a need for items for the classrooms and school office. If you are interested in supporting the school through a donation for a specific item, it would be very helpful for the school. A "wish list" of these items with approximate costs follows:

- *Graphic novels for the school library*; \$16-\$18 each – These books are very popular with students and Mrs. Birkner tries to keep the available titles current.
- *Case of copier paper*; \$40 – Paper is a large expense for the school. Any donation to underwrite the cost of paper would free up funds in the school budget to cover other curriculum materials.
- *Ipads and covers (2)* ; \$330 – These would be used in the Kindergarten classroom to reinforce math, reading, and phonics concepts.
- *Designing Shelters Unit*; \$460 – With this kit, students are challenged to protect a fictional dog from getting too warm in the sunlight. They'll learn about concepts related to the warming effects of the Sun, light and shadow, and animals and animal needs as they engineer a shady roof.
- *Bee Bot Starter Pack*; \$211 – This kit introduces children to sequencing. The materials allow students to plan routes and courses and create their own mat designs.

If you are interested in "sponsoring" any of these items, please note the designated item when making your contribution. The donations can be made by placing it in the collection plate, mailing it to the school, or dropping it off in the school or church office. Undesignated gifts to the school are always appreciated, too!

## Bounty for Bethany

---

Non-perishable food items will be collected November 11 through December 16 and donated to the Bethany Outreach Center for the food pantry. The class that collects the most weight in non-perishable food items will be treated to a pizza lunch!
