Legend of Santa Lucia

According to legend, Lucia was a medieval saint who carried food and drink to hungry folk in the province of Värmland during a period of famine. She was seen across Lake Vänern, with her white gown and crown of lights, so today's costume uses the same gown and crown.

The Lucia legend is said to have originated in Syracuse on the island of Sicily. A young girl, about to be a bride, gave her entire dowry to the poor of her village and admitted she had become a Christian. She was accused of witchcraft and burned at the stake on December 13, 304 A.D. Much later in history, the early church declared her a Saint, Santa Lucia.

Italian artists sometimes picture her as a blind girl holding a lamp. There are many legends but in each one, Lucia stands for the symbol of light and hope to all mankind.

Santa Lucia's coming begins the feasting, merriment, singing and the spirit of friendliness and goodwill that lasts all through the holidays.

Hymn – “God Rest Ye Merry, Gentlemen”

(Congregation is invited to join in singing.)

*God rest ye merry, gentlemen,
Let nothing you dismay,
For Jesus Christ, our Savior,
was born upon this day:
To save us all from Satan's pow'r,
when we were gone astray:
O Tidings of comfort and joy,
Comfort and joy,
O Tidings of comfort and joy.
From God, our Heavenly Father,
a blessed angel came,
And unto certain shepherds
brought Tidings of the same:
How that in Bethlehem was born
the Son of God by name:
O Tidings of comfort and joy,
Comfort and joy,
O Tidings of comfort and joy.
The shepherds at these tidings
rejoic-ed much in mind,
And left their flocks a-feeding
in tempest, storm and wind,
And went to Bethlehem straightway,
the Blessed Babe to find.
O Tidings of comfort and joy,
Comfort and joy,
O Tidings of comfort and joy.*
